

IVT pack

Contents:

- 1 Wrap, 90x90 cm, crepe, blue
- 1 Tray, 3 compartment
- 1 Transparent drape 50x40 cm, aperture 7x10 cm, perforated incise film
- 5 Gauze swabs, 10x10 cm
- 2 cotton buds, 7.5 cm
- 1 Eye marker 3.5/4.0 mm, plastic, blue
- 1 Speculum, Solid Blade, closed, angled

The Toul Operio Sterile Air Unit offers a unique opportunity to generate additional IVT clinical capacity, including the utilisation of treatment rooms, while reducing the risk of airborne infections.
